

Oh happy day!

IT FINALLY ARRIVED -

your favorite DIAMONFIRE Jewellery. Enjoy it, because DIAMONFIRE is way more than just a piece of Jewellery.

It is something extraordinary, as it was crafted with heart and soul, produced with lots of love for the finest detail and manufactured in blameless quality.

Each DIAMONFIRE item is made from 925/- Sterling Silver and refined with an exclusive surface protection with 3 different layers. Thanks to this you can enjoy the brilliance of your Jewellery as long as possible – nearly for a lifetime.

The DIAMONFIRE stones, which are laser engraved with our own brand logo, comply with its natural role model and the sparkle of a real diamond. It is the special cutting technique making the DIAMONFIRE stones as pure and as enchantingly brilliant.

THIS IS DIAMONFIRE.

This is us!
