

AURAJET™ HANDSET

Installation Guide

Technical Specifications:

Operating Pressure:

Min: 100kPa/1bar

Max: 500kPa/5bar*

Optimum: 150kPa/1.5bar - 500kPa/5bar

Operating Temperature:

Hot: Max 65°C*

Cold: Min 5°C

Inlet Connections:

½" BSP

** Regional specific regulations apply.*

Please refer to your warranty statement at

IMPORTANT: Please read all of the instructions before installation.

General:

- Methven recommends this product is installed by a licensed plumber in compliance with all relevant regional regulations.
- After installation all connections must be checked for leaks.
- All outlets used primarily for personal hygiene shall deliver water at a safe temperature as per regional regulations.
- It is the responsibility of the installer to ensure a waterproof seal is achieved.
- NOTE: Some showers may not provide an effective shower when used with gravity fed heated water systems or where pressures are less than 150kPa/1.5bar at the outlet. Additionally showers with flow rates of less than 9L/min may not allow the following to function correctly:
 - some instantaneous water heaters
 - some tempering valves
 - some thermostatic mixing valves

Care and Cleaning:

Run hot water through shower for 2 minutes before first use.

Never use abrasives or abrasive cleaning agents to clean this product. Clean regularly with contamination free warm soapy water and a damp soft cloth.

A filter washer should be installed in the hose cone on the water outlet and it should be cleaned periodically.

If shower performance is compromised by the build-up of lime-scale, soak in limescale remover for up to 10 minutes. Do not attempt to remove limescale with sharp objects or abrasives. Do not use products containing chlorine bleach or hydrochloric acid as these can damage the shower. Always rinse the shower thoroughly after cleaning to remove cleaning products that can damage the shower.

Never insert objects into the spray slot or attempt to remove spray cover as this may cause damage to shower components.

Methven warrants this product against manufacturing defects and that it is suitable for use under the general operating conditions specified in this instruction sheet. However, regional regulations apply and may affect your warranty. Please refer to **www.methven.com** or call customer service for full details.
