

Sage Green

Traditionally styled, it combines a gentle apex roof with streamline design to perfectly suit a myriad of garden and patio settings. Offers plenty of room for all your outdoor essentials and features outward opening double doors for easy access. It also comes complete with an integrated door panel organisation system, tool hangers and shelves making keeping things neat and tidy easier than ever!

Integrated ventilation ensures the shed remains cool and dry whilst an integral guttering system aids surface water drainage.

Available in two stylish colourways, anthracite grey and sage green, our Apex shed is manufactured from durable, powder-coated galvanised steel for maintenance free care. It also comes with our 25 year warranty for added peace of mind.
