## 4. Care Advice

### **Congratulations on purchasing your new Stone Garden Lifestyle furniture set.**

Designed and built to stand the test of time, your new furniture set is low maintenance; requiring little more than a periodic clean to keep it looking its very best.

Here's some advice on how to look after it:

1. Regularly wipe down metal frames with detergent-free, warm soapy water and a non-abrasive sponge to clean. Avoid using heavy detergents or power washers.
2. Perform maintenance checks at least once a year and ensure all fixings are secure.
3. Clean cushions using a soft brush and a fabric cleaner.
4. To avoid permanent stains, clean up spillages immediately.
5. Cover your furniture set when not in use to avoid damage.
6. Place coasters beneath glasses and tableware to prevent the marking your table top

### **Important Information**

- Open with care: Using a Stanley knife or scissors whilst opening the packaging may cause accidental damage to your new garden furniture set. This will not be covered by your warranty.
- We recommend you use covers to protect your outdoor furniture when not in use. Covers must be removed periodically to minimise moisture build up.
- Remove garden furniture covers with care: Whilst durable, they can rip when removed with excessive force.

#### **CAUTION:**

Whilst every effort has been made in the manufacture of your appliance to remove any sharp edge, you should handle all components with care to avoid accidental injury.

## 5. Limited Warranty

All Our products comes with a 25 year warranty on all metal components and a one year warranty on fabric cushions, commencing from the date of purchase. The warranty includes manufacturing deficiencies and defective parts and extends to the replacement of these parts. Expenses for shipping, installation, replacement of worn parts and other cost are not covered by the warranty. The warranty lapses in case of mishandling and if any kind of unauthorised modifications are made to the appliance.

**IMPORTANT:** Keep this manual for future reference.
