**Stunning Clarity in 4K**

The sparkling 4K camera is engineered to deliver insanely flawless videos in astounding clarity and superfine sharpness, adding an extra layer of protection with more visible details and rich colors.

**Focus on True Threats**

Differentiate people, vehicles, and animals from other objects and send alerts straight to your phone, so nothing important goes unnoticed.

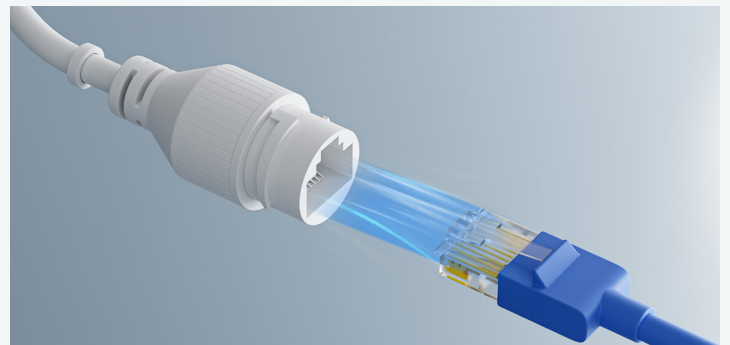

**Your World at Your Fingertips**

With a few clicks on Reolink App or Client, watch live feed, be informed of the emergency, replay key moments and more – from anywhere, anytime.

**See Through the Night in Colors**

Fuzzy and pixelated night vision is now history. The powerful spotlight that keeps on all night makes the night as colorful as day.

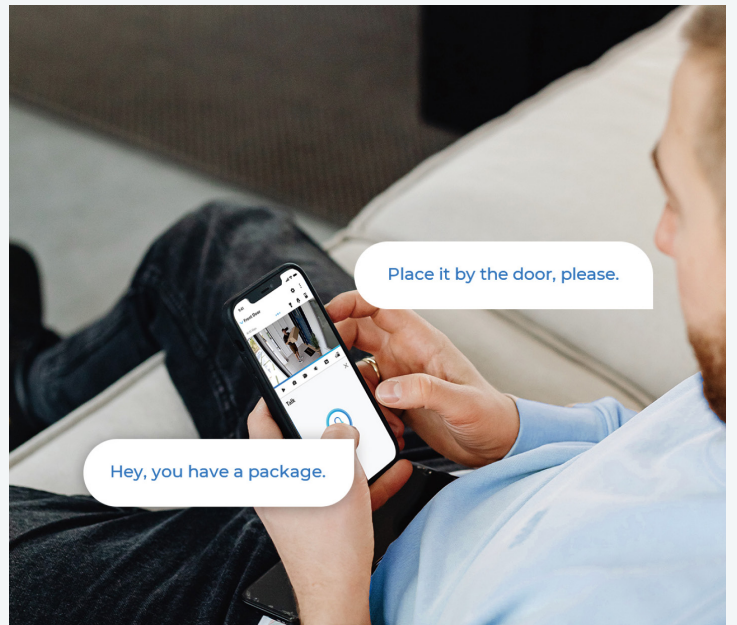

**PoE, Setup in Minutes**

Transmit videos and be charged simultaneously via only one network cable. Setup is easier with no messy cables.
