

Model 05

EN

Intended use:

This sofa is intended for general use in the home and has been strength tested to NF EN 16139: 2013 Contract Level 1.

Care & Maintenance:

- > Ensure Swyft-Loks are engaged tightly.
- > Push down firmly on top of arms and back (above where Swyft-Loks are located) to ensure a tight connection. Repeat intermittently to ensure a consistently tight fit.
- > Once assembled, do not lift from the arms or back.
- > Dismantle prior to lifting. Do not drag the product.
