

P340

# Smart 12MP PoE Bullet Camera with Powerful Spotlight

## 12MP

### 12MP UHD

Capture intricate details from facial features to license plates.

### Two-Way Audio

Speak directly to anyone who approaches your home.

### Weatherproof

Rated as IP66 to withstand the elements for year-round protection.

### Color Night Vision

See through the night in full color with its spotlight on.

### Power over Ethernet

Get both power & data with a single network cable.

### 24/7 Recording

Work with Reolink NVRs to save days of your 24/7 footage.

### Smart Detection & Alerts

Get instant notifications once a person, vehicle or animal is detected.

### Remote Access

Access your live feed anytime anywhere via Reolink App/Client.

### Customized Motion Zone

Map out your detection to only get alerts about specific areas.

### Next-Level Clarity in 12MP

Home security has entered the 12MP era. Get a clear and detailed view of your home, and see everything with incredible clarity.

### Focus on True Threats

Differentiate people, vehicles, and animals from other objects and send alerts straight to your phone, so nothing important goes unnoticed.

### See Through the Night in Colors

Fuzzy and pixelated night vision is now history. The powerful spotlight that keeps on all night makes the night as colorful as day.

### Talk Like You're There

The built-in mic and speaker allow you to communicate clearly with arriving guests or deter intruders with a "Get Away" message.

### PoE, Setup in Minutes

Transmit videos and be charged simultaneously via only one network cable. Setup is easier with no messy cables.

NVS16

# 16-Channel PoE NVR for 24/7 Reliable Recording

## 16-Channel

The NVR can connect up to 16 Reolink PoE/WiFi cameras.

---

## Built-in 4TB HDD

Store videos locally on a pre-installed 4TB HDD (upgradable to 12TB).

---

## 24/7 Recording

Continuous recordings directly to your hard drive with expandable storage.

---

## 16MP

### Support up to 16MP

Record up to 16MP ultra-clear videos on every channel.

---

## All-Around Protection

Stand guard over every inch of your property with up to 16 cameras.

---

## Centralized Security

Take full control of all cameras with centralized NVR management.

---

## PoE

The plug-and-play setup saves you time and effort.

---

## Remote Access

Easily check live feeds from anywhere via the Reolink App/Client.

---

## Local Access

Access the live feeds offline via a monitor or an HD TV.

---

### Centralize Your Security

Connect your Reolink cameras to the NVR for centralized management, all-round surveillance, and more. Everything is under your control.

### 24/7 Continuous Recording

Save days of your 24/7 footage securely and locally on a 4TB HDD (upgradable to 12TB). Never worry about data loss.

### Your Personalized Security Solution

The 16-Channel NVR is compatible with all our IP cameras - up to 16MP PoE/WiFi cameras. Have fun customizing your own security system.

### PoE - Easy Setup

Simply connect your cameras to the NVR with a network cable for both data & power transmission. No messy cables, ideal for DIY lovers.

### Local and Remote Access & Control

Access the live streams of all cameras anywhere with the Reolink App/Client, or connect the NVR to a monitor for local monitoring.
